

Sport Premium Spending Plan 2016 -2017

What is PE & Sport Premium funding?

The PE & Sport Premium is additional government funding aimed at making additional and sustainable improvements to the quality of PE and Sport.

How did the school spend its PE & Sport Premium allocation?

For 2016-2017 Beecholme Primary School received £8915 PE & Sports Premium funding. The table below shows our allocation:

Amount allocated	Allocation	How with this support PE and Sport?
£657	Providing additional free swimming for Years 3 + 4	Additional swimming lessons for Years 3 and 4 will result in greater water confidence and an increase in the numbers of children able to swim 25m unaided.
£1450	After school clubs and lunchtime activities led by sports coaches and staff	Sports coaches and staff run after school clubs and lunchtime activities to enhance overall skills and for competitive Borough and Cluster events. This will enable us to attend a number of different competitions. We anticipate the additional coaching will enable the pupils to achieve better results as well as feel more confident in the events that they are competing in.
£390	Staff cover for additional CPD staff sport training and to attend PE conference	Training 14.10.16 PE Conference 16.09.16
£120	Get Set PE: EYFS Physical Development workshop.	To provide resources and knowledge to confidently develop and deliver a wide range of progressive and engaging dance lessons.
£4017	MSSP Get Set Specialist Sports provision	Ensure that all children benefit from additional regular high quality specialist sports coaching.
£500	PE and Sports equipment (curriculum)	New equipment will support and improve the PE curriculum, to ensure that teachers and coaches are well equipped and that children have the necessary resources to benefit fully.
£300	PE and sports equipment (lunchtime and After School Clubs)	New equipment will improve the quality of lunchtime and After School Clubs, to provide better opportunities for children to benefit from a range of clubs.
£550 £931	Children involvement in cluster group sports events	To take groups of children to sports festivals and events with other local schools within the cluster and beyond; Contribution towards the East Mitcham Cluster fee and teacher release.

What was the impact of PE & Sport Premium spending in 2016/17?

Benefits of spending at Beecholme Primary on PE & Sport included:

- Teachers and Teaching Assistants reported greater confidence in being able to deliver PE effectively;
- Increased level of participation in clubs, including Bike Club, Athletics, Running Club and Various Sports;
- Increased level of participation in local sports competitions which has resulted in children involved being proud of their sporting achievements;
- Additional swimming lessons have enabled pupils to be confident swimming, with a hope to swim competently at 25 metres;
- All children benefited from regular, high quality specialist sports coaching;
