

Sport Premium Spending Plan 2019 - 2020

What is PE & Sport Premium funding?

The PE & Sport Premium is additional government funding aimed at making additional and sustainable improvements to the quality of PE and Sport.

How did the school spend its PE & Sport Premium allocation?

This academic year Beecholme Primary School estimate to receive £17,590 for the PE & Sports Premium funding. The table below shows how we plan to spend our allocation:

Amount allocated	Allocation	How will this support PE and Sport?
£5000	Trim Trail Manhattan Trail and Clatter bridge	<p>A Trim Trail will allow pupils across all key stages to participate in regular outdoor sessions keeping fit and learning effectively through movement and exercise.</p> 
£679	Outdoor Table Tennis and accessories	<p>Purchasing an outdoor Table Tennis to ensure our pupils have the opportunity to keep fit during play and lunch sessions. Table Tennis will burn calories, improve pupil attention, hand-eye coordination and reflexes.</p> 
£90	Table Tennis accessories	 <p>To compliment the above, Bats and Balls will be purchased so children can effectively participate in small teams, to gain their confidence in sport and partnership.</p>
£1145	Playground Markings – Dual Trail	<p>We have decided to invest in a Dual Trail to continue to provide creative and active PE lessons and Keep Fit Activity Clubs so our pupils can engage in healthy exercise whilst learning through</p> 

		play. We are an active School and the activity trail will allow pupils to train and keep fit on a daily basis.
£1278	Additional Swimming lessons	Continued swimming lessons in Year 4, which will result in greater water confidence amongst pupils.
£700	Swimming booster sessions	Beecholme wishes to commit to booster sessions for pupils who cannot swim 25 meters. This will bring Beecholme in line with National legislation for all pupils to be competent swimmers by the end of KS2.
£1500	After school clubs and lunchtime activities	Sports coaches and staff run after school clubs and lunchtime activities to enhance overall skills. Clubs in the past have demonstrated an increased participation in Borough competitions and Cluster events. The majority of pupils participating have gained confidence in extended activities provided at Beecholme.
£700	Sports Training and PE Conferences	Our designated PE Teacher will continue to attend training conferences in the Autumn and Summer term to ensure PE is taught at a high standard across all Key Stages.
£4000	MSSP Get Set Specialist Sports provision	 <p>Beecholme aim to ensure all staff benefit from regular specialist high quality sports coaching and development. This will enhance skills in all Key Stages enhancing pupil confidence in all sport.</p>
£1000	PE Teacher Assistant	Contribution towards the salary of a PE TA to assist with specialised PE lessons acting as a good role model to pupils encouraging children to participate in sports.
£500	PE and Sports resources	New resources will support and improve the PE curriculum, to ensure Teachers and Coaches are well equipped to provide effective lessons.
£200	PE & Sports Medals	Certificates, Stickers, Medals & House Trophies will be purchased to praise pupil participation and congratulate pupils in 1 st , 2 nd , 3 rd places.
£800	Involvement in cluster group sports events.	Beecholme Sports team will continue to participate in local sports festivals and sports competitions in collaboration with the East Mitcham Cluster. The Sports grant will fund fees and Teacher release to ensure pupils can attend competitions, in various sports, throughout the academic year.
TOTAL:	£17,592	

What was the impact of PE & Sport Premium Spending in 2019/20?

The PE and Sport premium at Beecholme Primary has;

- Enabled a greater focus on children's range and ability of basic skills within PE through targeted teaching from our designated Sports TA.
- New resources purchased have allowed each child to have the correct equipment for each sport taught.
- Improved Teachers skills at teaching PE sessions with greater confidence and with a wider variety of ideas and skills, through the collaborative work with MSSP.
- Increased the children's involvement and enjoyment of outdoor activities with the use of the trim trail and new playground markings:

- Increased co-ordination of fine motor control and hand eye co-ordination with the installation of a table tennis table.

- Provided a greater range of athletics activities with correct equipment to increase children's skills within this area.

- Continued participation with the East Mitcham Cluster and been involved in local and inter-competitions in the Borough. Beecholme has upheld its Merton Sports Partnership Silver award and School Games Gold award.

- Continued training for the PE lead via conferences and training sessions. This continues to develop our curriculum with effective sessions being planned and increased skills of children on a termly basis.
- Provided regular swimming sessions enabling pupil confidence in working towards competently swimming 25 meters by the end of KS2. This year 35% of children in year 4 confidently achieved swimming 25 metres and 42% of children confidently swimming 10 metres and working towards 25 metres.
- The data for year 3 is not available at this time due to COVID.
