RECIPES

Spring Chocolate Cake

Ingredients

225g/8oz plain flour

350g/12½oz caster sugar

85g/3oz cocoa powder

1½ tsp baking powder

1½ tsp bicarbonate of soda

2 free-range eggs

250ml/9fl oz milk

125ml/4½fl oz vegetable oil

2 tsp vanilla extract

250ml/9fl oz boiling water

For the chocolate icing

200g/7oz plain chocolate

200ml/7fl oz double cream

Method

1. **Preheat the oven to 180C. Grease and line two 20cm/8in sandwich tins.**
2. **For the cake, place all of the cake ingredients, except the boiling water, into a large mixing bowl. Using a wooden spoon, or electric whisk, beat the mixture until smooth and well combined.**
3. **Add the boiling water to the mixture, a little at a time, until smooth. (The cake mixture will now be very liquid.)**
4. **Divide the cake batter between the sandwich tins and bake in the oven for 25-35 minutes, or until the top is firm to the touch and a skewer inserted into the centre of the cake comes out clean.**
5. **Remove the cakes from the oven and allow to cool completely, still in their tins, before icing.**
6. **For the chocolate icing, heat the chocolate and cream in a saucepan over a low heat until the chocolate melts. Remove the pan from the heat and whisk the mixture until smooth, glossy and thickened. Set aside to cool for 1-2 hours, or until thick enough to spread over the cake.**
7. **To assemble the cake, run a round-bladed knife around the inside of the cake tins to loosen the cakes. Carefully remove the cakes from the tins.**

BOOK REVIEWS

Skulduggery pleasant

Skulduggery Pleasant is a book for people who love mystery books and comedy. The main characters are a skeleton detective and a girl called Stephanie Edgely. One the day of her late uncle's funeral Stephanie meets a man wrapped around completely he introduces himself as Skulduggery Pleasant. Soon they pair up and Stephanie finds out about Skulduggery and the world of magic. She finds out that Skulduggery was a detective working for the Irish Sanctuary, where Ireland's most powerful mages. Skulduggery suspects that Stephanie's uncle's death was murder. Then the two of them are whisked off into a battle against a sorcerer call Nerfarian Serpine. Will they win?

My favourite character from the book is Tanith Low. She has blond hair is actually an over 80-year-old and looks like a 22-year-old but acts like a four-year-old. She is extremely funny and is a really good friend of Stephanie.

My favourite part of the book was probably when Stephanie was in her uncle's house and Skulduggery showed her his magic for the first time. I would recommend this book to anybody interested in magic and mysteries.

FILM REVIEWS

Despicable me 3

This laugh out loud movie combines anger, humility, desperation and funniness together for the most entertaining movie I've ever seen this decade. It's about an agent who fights villains but gets fired, so he decides to catch the world's most frightful villain, who seems to be stuck in the 1980's, to get his job back, but at the same time his millionaire twin tries to persuade him to go back to his villainous ways.

I give this movie 9/10 stars

P.S. He also has to stop the world's most frightful villain from destroying a city and making it float into space

Tiger Zinda Hai

I think you should watch the movie, because it's about a generous person who is on a mission to get the nurses out of a hospital. My favourite part in the movie was when they did the song Swag se Swagat and my favourite part is when he gets all the nurses out of the hospital. My favourite character is Tiger because he goes on a dangerous mission to save people's lives.

I give this movie 10/10 stars

TV REVIEWS

The Worst Witch

This amazing t.v. show is about a girl called Mildred Hubble (a normal girl) from a world outside magic who finds herself at Miss Cackle's Academy for witches. It is a bumbling young girl trying to scrape through her magical

education. *The Worst Witch* is, essentially, a story aimed at bookish young women. Mildred finds herself at a competitive school, in intimidating surroundings, with a demanding and complex set of rules and requirements. Friends and teachers are able to sense her talent, even as she makes mistakes. This show is mainly for young children who are interested in magic. I like this show because it includes magic and guess what... I LOVE MAGIC!

I give this movie 8/10 stars

Raven's Home

Raven's home is about a mother called Raven Baxter and she has visions of the future. She uses her power to be a fashion designer, a mother and a good friend at the same time. She has two kids, Booker and Nia. She is not the only one that sees the future, her son, Booker also sees the future. I would recommend this to people that are very interested in comedy and mystery. I liked it when Raven took her children to the Navy Fair because they screamed in shock. I disliked it when Raven was too harsh on Booker about what the mischievous things he did. I would like everybody to see Raven's Home on Disney Channel, if you like comedy and mystery. I would rate it 10 out of 10 because they were really funny.

I give this movie 8 /10 stars

CRAFT IDEAS

Bunny Origami

1. Fold the top corner down to the bottom and make a nice precise crease.
2. Fold both the top left and top right corners down to the bottom point and crease well.
3. Fold the left and right corners up to the top point, again creasing well.
4. Start with the right flap, open it out to the right, pressing the top of it down to form a slanted triangle. Repeat on the left side.
5. Rotate the paper to the left a little. Fold the top section backward and behind.
6. Take the flap which is at the bottom right, and flip it up and behind. This is a rotation movement, not a reverse fold. Repeat on the flap on the back.
7. Now fold the ears over to the left as indicated, the ears don't have to all be the same, as it's an animal, it looks nicer with some asymmetrical folds.
8. Hold onto the ears at the 'head'. Open out the left sections, the nose should go downwards, while the left flaps are pushed over the top of the ears on both the front and back of the rabbit.
9. Make the two folds indicated and pleat fold them, the fold on the left is a mountain fold, while the diagonal fold is a valley fold, open out the back of the rabbit to pleat fold them inside.
10. Fold the nose under. This is now complete but I like to fold the ears back out a little. I also like to glue the flaps that stick out from the neck, depending on what type of paper you use.

Now your origami bunny is complete! I hope it worked out well for you, if not, give it another go, sometimes it can take a few attempts to get it right.

WORLD BOOK DAY

1 MARCH 2018

World Book day was an amazing experience for all the fortunate children and staff of Beecholme Primary School. It was a chance to share the love of books in our unique community. This year we focused on the book *Where the Wild Things Are* and we based our costumes on it. We had an amazing dance workshop with a friendly person from the talented company: West end at Schools. Whilst each class had the workshop, the other classes had turns to go to other classrooms. We had some entertaining activities in each classroom such as dressing up and re-designing our favourite book covers.

Here are each of the activities we completed on World Book Day:

Year 1 - Re-designing our favourite book covers

Year 2- Boys fashion show in girl's outfits - gender stereotypes

Year 3 - Dream Jars

Year 4 - What makes us special

Year 5 - Wild creature animation

Year 6 - Hogwarts houses activities.

SPORT RELIEF
