

## English

This term we will be looking at traditional fairy tales and writing our own versions. We will also be looking at writing Explanations using texts related to the Stone Age and Iron Age.

## Science

Our main focus will be Keeping healthy; skeletons, parts of the body, growth and diet. We will also look at plants; their different parts, how they grow and different effects on their growth. We will also do a small part on rocks and soils.

RE - This half term the children will be looking at the faith of Judaism, it's traditions, beliefs and songs and stories.

PSHE- Our theme is Goals and Dreams. We will think about goals and dreams we would like to achieve and the steps we might need to take to get there.

# **Stones and Bones**

**Year 3**

## **Spring Term**

### Discovery

Our topic this term will be looking at the Stone Age, Bronze Age and the Iron Age. We will find out about the Palaeolithic Age, Mesolithic Age and Neolithic Age. Also, we will learn about the importance of 'Skara Brae' and general life during these times. The children will also look at cave paintings and create their own.

### Computing

The children will learn how to create a simple game using code, linked into our discovering theme and using a program called Scratch.

They will also investigate the variety of ways we can communicate on-line.

## Maths

We will be reinforcing all the hard work from last term whilst also moving onto looking at multiplication, division, fractions and time.

We would appreciate your support in constantly practising different times tables with your children at home.

## French

We will continue to develop our French Skills and learn new songs

## PE

PE is currently taking place on Monday and Wednesday.

## Homework and Reading

Homework continues to be given on a Friday and due in Tuesday, Children should be reading for at least 20 minutes every evening and reading diaries should be signed by an adult.
