

Science

This term we are learning about animals, including humans and the digestive system.

Discovery

We are learning about the Anglo-Saxons and the chronology of British history. We will also learn about the Vikings and how they invaded Britain.

PSHE - Dreams and goals

This term we are thinking about how to make a new plan and set new goals and use the lessons from a bad experience to try again and not give up.

ICT

We will be learning how to use spreadsheets and how to enter labels and numbers into a spreadsheet; and also how to enter formulae.

Music

This term we will continue to learn to play the djembe drums with the Merton Music Foundation.

Homework

Homework stays the same; given out on Monday and due on Friday.

Beecholme Primary School

Spring term 2020 - Year 4

Willow class

Our topic is the Anglo-Saxons and Vikings.

PE is on Wednesday with a PE coach from the Merton Partnership. Please ensure that your PE Kit is in school every day, in case plans have to change. Swimming continues on Tuesday until February half term.

English

This term we are learning about story settings and how to write a play. We will be writing information texts about our Discovery topic.

Spelling will be taught separately, 3 times a week.

Encourage your child to read every day and to read all of their library book each week.

Maths

Encourage your child to develop quick recall of all the times tables up to 12 x 12.

We will be learning about fractions and decimals; area and perimeter, and multiplication and division,

Religious Education

We are learning about Creation and God. We will be learning about Creation stories and to discuss why some people believe in God and others do not.

French

We will continue to learn French in class: with a focus on speaking and listening.

Outdoor Learning

Please bring a pair of wellington boots or old trainers to wear for our outdoor learning lessons.
