EXPRESS YOURSELF

In a time of such uncertainty, Children's Mental health matters to us all here at Beecholme! From the 1st-7th of February, we took part in celebrating children's mental health week. Years 1-6 took part in a range of activities to express themselves. On Friday, the whole school celebrated together during their live sessions. The children were able to attend wearing an outfit that truly expresses their individuality. Take a look at some of the snapshots of

the week's celebrations!

Music Time

In Early Years, we have been expressing ourselves through the story 'The Colour Monster'. The children in Nursery and Reception have taken part in activities this week to share their feelings. Take a look at how we have responded to this beautiful story!
