

## Dear Parents and Carers,

We are so pleased to report that the transition back to learning in the classroom has been smooth. Children at Beecholme are so excited to be back with their teachers and their peers, and we are amazed at the enthusiasm and positivity they have shown in moving forward with their learning.

Our teachers have been assessing the children to identify any gaps and put support in place for those children who need it. We have been speaking regularly to the children about any concerns they have and helping them to set targets for themselves going forward. Our Beecholme values are clear to see across the school and our pupils are showing the co-operation and growth mindset that we know makes them successful learners.

We can't wait for Summer Term to start so we can get stuck in to our new topics, enjoy time outside in our school grounds and start to prepare for what the next academic year has in store.

Look out for information on our '**Vison 2023**' as we will be sending home weekly tasks for parents and carers. More information will follow.

Parent-teacher consultations will also take place from **19th– 22nd April**. The dates will also be posted on Seesaw.

With school finishing on **Wednesday, 31st March**, I would like to say a big thank you for your support in settling the children back into school and your positive comments.

Please see the pick up times below for the last day of term.

Have an enjoyable and safe Easter holiday.

Best wishes

Mrs Phyllis Sternberg

## Sorry you are leaving...

Mrs Darlington will be retiring at the end of the Spring term. She has worked at Beecholme for 8 years in the office and seen the school through many changes. She has worked relentlessly for the benefit of the children. Many of you will have help from her regarding payments e.g ParentPay, and Free School Meals.

Mrs Darlington will be sadly missed but we wish her well during her retirement in her new house by the sea .

## Reminders

- ◆ Please stand on 'distance spots' with your children when you drop them off in the morning
- ◆ 'Drop and Go' so there is no congestion
