

Beecholme Newsletter 23rd April, 2021

Dear Parents and Carers,

Welcome back!

It is an absolute joy greeting you and the children in the morning as they come to school ready to learn in the Summer Term. We are very excited to be back and have been planning stimulating learning activities.

I do hope you had informative parent consultation meetings this week and are clear on how you and the school will support your children in their learning.

This half-term we will be revising our Beecholme Vision statements and updating them for our Vision 2023. Please see details below.

I am pleased to say that we have been successful in gaining the 'Primary Science Quality Mark' under the guidance and tenacity of Miss Dooley. Our children at Beecholme have a clear passion for Science.

Thank you for your continued support.

Here's to a fantastic term!

Best wishes,

Mrs Phyllis Sternberg

This half-term we will be revising our Beecholme Vision statements and updating them for our Vision 2023. In 2016, all of our stakeholder's worked together to develop 'Vision 2020.' Designed to drive school improvement, this provided the opportunity for our whole school community to have their say and be involved in where we wanted the school to be in three years time. It was a great success as the community worked together. Now, it is time to do this again and we really need your views to be able to make this process successful.

Task

Please look at your child's Seesaw account and watch the video message that I have sent you. All the instructions will be explained. Each week for the next 4 weeks on Friday you will have a short task to complete introduced to you by Miss Morris or myself. We will also be gaining the children's, governor's and staff's views as well. When we have everyone's comments and opinions then the vision statements will be redrafted and shared with you.

Thank you in advance

It is important to us that all voices in our school community are heard. We cannot promise that all ideas will be possible but we can promise that we will read and consider them all.
