

Beecholme Newsletter 7th May, 2021

Dear Parents and Carers,

Thank you to those parents, governors and staff members who have contributed to the Vision 2023 activity so far. If you haven't already done so it is not too late! I have spoken to the children about it and they are willing to help you if you are unsure. Please see below for the details.

The staff and I are so happy to have the children back in school. Laughter can now be heard from the classrooms and a clear focus on learning can be seen. The children are enjoying the routines and being back in their class with their friends and adults. There is a positive atmosphere around the whole building.

'Happy Eid' in advance to our members of the Islamic community.

Have a safe and happy weekend.

Best wishes,

Mrs Phyllis Sternberg

KS2 Bike and Scooter riders

Please park your bikes and scooters in the bike shelter and not against the wooden gate for health and safety reasons.

This half-term we will be revising our Beecholme Vision statements and updating them for our Vision 2023. In 2016, all of our stakeholder's worked together to develop 'Vision 2020.' Designed to drive school improvement, this provided the opportunity for our whole school community to have their say and be involved in where we wanted the school to be in three years time. It was a great success as the community worked together. Now, it is time to do this again and we really need your views to be able to make this process successful.

Task

Please look at your child's Seesaw account and watch the video message that I have sent you. All the instructions will be explained. Each week for the next 4 weeks on Friday you will have a short task to complete introduced to you by Miss Morris or myself. We will also be gaining the children's, governor's and staff's views as well. When we have everyone's comments and opinions then the vision statements will be redrafted and shared with you.

Thank you in advance

It is important to us that all voices in our school community are heard. We cannot promise that all ideas will be possible but we can promise that we will read and consider them all.

A MASSIVE THANK YOU FOR YOUR COMMITMENT TO KEEPING EVERYONE SAFE AT BEECHOLME

- ◆ Please stand on 'distance spots' with your children when you drop them off in the morning
- ◆ 'Drop and Go' so there is no congestion
- ◆ Keep walking on the left
- ◆ Parking restriction (Merton have reminded the school recently about cameras in the locality)
- ◆ Don't send in bags or equipment from home
- ◆ Your child should have a named water bottle in school every day
- ◆ Children wear PE kit to school on the days they have PE (Physical Education)

THANK YOU!

Class Photos on Tuesday, 11th May

Children need to wear school uniform including a Beecholme school jumper for the class photos.

Well-being Friday - Health

This week the children have thought about how they can keep themselves healthy by eating healthy food and exercising. Please ask them about the changes they plan on making next week.

Dates

Spring Half-Term **Monday, 31st May- Friday 4th June 2021**

INSET Day **Monday, 7th June 2021**

Children return on **Tuesday, 8th June 2021**

School finishes on **Friday, 23rd July 2021**

Please see the school website for all school term dates.
