

## Beecholme Newsletter 22nd October, 2021

### Dear Parents and Carers,

This first half-term has been very enjoyable and successful. It has been wonderful being in school every day and seeing you all at the gate. The children have really benefitted from the stability and routine.

Hopefully, you have been seeing the different learning opportunities that your children have had on Seesaw. Please continue to look at 'Take a Peak Tuesdays', and 'Wow Wednesdays'. This new initiative was in response to comments made in Vision 2023 to increase communication and we hope this has helped and that you have enjoyed seeing the activities.

We have been very fortunate to have the 'Woodcraft Folk' work with our children in Years 3, 4, and 6 this half term. The children have focused on the garden area and have grown in confidence. They have also developed their understanding of the impact they can have on the world. Miri in year 6 said,

'I look forward to Woodcraft every Wednesday, because it is fun and involves the whole class. It's great to be outside, even when it's a bit cold and damp. The teachers are really nice and we play cool games. Yesterday, we learnt to make fires using flint and steels and we even toasted marshmallows!'

During Black History month this year's focus has been Dance and Culture. The classes have researched a chosen dance and found out about its history. They have also made colourful headdresses which will be worn at Beecholme's mini-Carnival. We will edit and upload a video on Seesaw after half-term. The children had a fabulous time, there was a lot of laughter and happiness.

The Art exhibition was a great success again. It is great to see our children develop skills in all areas of the curriculum. Many thanks to Mrs Raja who has organised the two events with energy and passion.
