

**Dear Parents and Carers,**

It is amazing that half-term is already here!

We are all very proud of the children's achievements this term. When speaking to many of them the children are clear on what they are learning and why they are learning about it. I do hope you are using Seesaw and are getting an idea of the learning that is taking place. You will be able to discuss your child's progress in the Parents Consultation meeting. Please make a note of the date.

As part of making our curriculum engaging, exciting and fun, teachers have been planning for educational visits to take place during the coming terms. Taking part in educational visits helps children to deepen their understanding and learning of a particular curriculum area. Early Years have invited professionals into school to enrich their topic on 'People who help us'. One of my favourite days this week was seeing the children dress up as professionals that they aspire to be when they grow up. I think the school was extremely safe on Wednesday with the amount of EYFS doctors, nurses, police officers and fire fighters. The staff were proud that some children dressed up as teachers. Many thanks to parents who also came into school to talk about their jobs. We want our children to know that they can strive to be what ever they want to be.

Our Well-being focus this week has been on Internet Safety. Please discuss this with your children and make sure that they are safe online by checking your parental controls.

Keep safe and enjoy half-term.

Best wishes,

Mrs Sternberg

## KS1 Maths App

There have been many positive comments from parents already about the app. If you have not had chance to download it yet please follow the instructions below.

Find the app in your app store, download it and enjoy! Feel free to take some pictures of your child using the app and upload them to Seesaw for their teachers to see.

## Keeping Everyone Safe at Beecholme

Please look at the attached flier. It has some useful information for families who have someone at home who has Covid-19.

## Beecholme Podcast

We hope you enjoyed our first Beecholme podcast. Scan this QR code to listen to the latest episode. This week, Year 5 and 6 pupils will be talking about our Internet Safety Month and the discussion of Roblox. Listen out for an interview with Mrs Martin!

**Parent Consultation Evening  
Thursday, March 10th**
