

Dear Parents and Carers,

It was lovely seeing many of you on Parents' Consultation evening. I hope you found it informative and were pleased with the learning and progress that your children have made. Thank you for the many positive comments given to the teachers. Your support and partnership are vital to your child's progress.

Could I please remind parents that we are a 'Healthy Eating and Nut Free School.' Although many of you are kindly giving gifts of sweets and cakes, we need to consider children with allergies. A healthier option would be to buy a Birthday book for the class from your child. You could then write a message on the cover page and it could be kept for prosperity. Some parents have even donated a set of glue sticks for the class as a present!

We celebrated International Maths day on Monday. The children took their maths outside, they learnt about mathematicians from different cultures and took part in a maths' eyes competition to find maths around the school. They really enjoyed the day.

I do hope you have a lovely weekend and look forward to seeing you next week.

Best wishes,

Mrs Sternberg

Spring Craft Fair

Thursday, 31st March 2022

Straight after school.

Attendance and Punctuality

You should have all received your child's attendance form at the Parents Consultation meeting. Please read the explanations carefully to see the link between your child's attendance and their learning. Everyone should be aiming for the green section **96%** and above!

Well done to those families who have improved their attendance since the beginning of the year. Keep it up!

Keeping our School Safe

At Beecholme we will continue to:

- promote and encourage good hygiene for all through hand washing and sanitising
- keep occupied spaces, in particular classrooms well ventilated

We encourage you all to support steps to minimise the spread of COVID-19 through:

- not sending your child to school if they test positive for COVID-19

Thank you for your continued support.

Save the Children

Save the Children have given a few tips on how parents can talk to their children about conflict. Please click on the link below to have a look.

[Ukraine: 5 ways to talk to children about conflict \(savethechildren.org.uk\)](https://www.savethechildren.org.uk)

Our thoughts go out to our Eastern European families and those who have experienced conflicts in their own lives.

Beecholme Podcast

We hope you have been enjoying our Beecholme podcast. Scan this QR code to listen to the latest episode. This week, Year 5 and 6 pupils will be talking about their strange dreams and teaching you a little about driving tests and netball. Listen out for an interview with Miss Carr too!

Dates

Last day of Spring Term

Friday 1st April 2022—1:45pm dismissal
