

Beecholme Newsletter 13th May, 2022

Dear Parents and Carers,

This week has been the Year 6 SATs. We were very proud of all the children who were focused, calm and gave it their best.

We have been very concerned about the dog mess on the streets coming to school and the bin at the pedestrian entrance. A parent has informed us about Merton's-'Fix My Street'. Residents of Merton can use this portal to report or view local problems such as graffiti, fly tipping, street lighting or broken paving slabs: <https://fixmystreet.merton.gov.uk/>

As part of the parent feedback for **Vision 2023**, parents wanted the school to acknowledge achievements their children had outside of school. Many parents already post achievements on Seesaw and the children suggested we start to share achievements in a special box on the newsletter called '**Loud and Proud**'.

Therefore, if your child has achieved anything such as a medal, certificate, completed a special activity etc., please post it on Seesaw. Then the teachers will inform me so I can share with the school community in the next newsletter. I look forward to finding out more about your children!

Have a wonderful weekend.

Best wishes,

Mrs Sternberg

Available Places at Beecholme

Thank you to the parents who recommended Beecholme to a new resident in their road. The new family will be joining us in September.

At present we have availability in all of our classes.

To maximise financial support from the government, it would be beneficial to fill the classes. The more pupils we have in the school, the more money we get from the government.

If you know of anyone who would like to join our Beecholme Family, please have them contact the **School Office on 020-8640-4795**.

Community Planting Days

Thank you to everyone who took bulbs to plant and helped our streets bloom so beautifully with daffodils this Spring. Merton Climate Action Group have arranged three more Community Planting Days: **Saturday 21st May, 25th June and 16th July**. If you have been planting and have any spare plants, bring them along for a plant swap outside school on the morning of Friday 20th June. Why not volunteer to sign up for your street? Click the QR code or go to
