

Dear Parents and Carers,

Welcome back to the final half-term of the year. This is a very busy term with assessments, trips, swimming and Sports Day. Teachers will also be preparing reports for you child which will be sent home in July.

Thank you for buying snacks that the children had made and attending the Jubilee Picnic on the last day of term. It was very special for all of us as we have not been able to get together for a long time. Many of you have said how much you enjoyed it and that you had a lot of fun. It was lovely speaking with many of you; those who remember picnics that we have had together before the pandemic and those of you who haven't been able to enjoy a community event like this with us before. It also gave me a moment to reflect on the wonderful family community we have here at Beecholme. We welcome new families who have joined us this term and hope you settle in quickly and feel part of our school.

We now need to plan the Summer Fair which will be on **Friday, 15th July 2022**. I will be working with a small group of parents and staff to prepare for the event. We will need volunteers to help make it a success, so please look out for information on Seesaw, ParentMail and posters that we will put up around the school shortly. Further details will follow.

Have a wonderful weekend.

Best wishes,

Mrs Sternberg

Available Places at Beecholme

At present we have availability in most of our classes.

To maximise financial support from the government, it would be beneficial to fill the classes. The more pupils we have in the school, the more money we get from the government.

If you know of anyone who would like to join our Beecholme Family, please have them contact the **School Office on 020-8640-4795**.

Nursery Sports Day

Wednesday, 29th June 2022
