

## Beecholme Newsletter 14th October, 2022

### Dear Parents and Carers,

Thank you so much for getting your children to school on time. The teachers and I have seen a great improvement. We talk to the children at school about getting a good night's sleep so on the next day they will be ready for learning. We have enjoyed seeing parents at the workshops. If you can, please try to attend as they give you a lot of information about the particular curricular areas. The next workshop is on how to support your child with reading (see 'Save the Date' page).

We are looking forward to the 'Art Exhibition'. Mrs Raja has organised the exhibition again and is hoping that many parents will attend. The children are thoroughly enjoying their art lessons and are building upon their skills from last year. I hope you will be impressed with what you see. Further details will be sent please look out for them.

Best wishes,  
Mrs Sternberg
