

Beecholme Newsletter 4th November, 2022

Dear Parents and Carers,

Welcome back to the second part of the autumn term. I do hope you had a good break and rest. Thank you to all the parents who came to the Art Exhibition. It was lovely seeing you all sharing your children's work. I hope you saw all the different art skills in their sketch journals which they will be developing. We definitely have some incredible artists.

If you attended any of the curriculum workshops look out for the link to the subject evaluation forms and please respond. We will be able to use your comments to help plan our future workshops.

Our local Food Bank has re-opened. If you are experiencing financial difficulties and would benefit from Food Vouchers, please contact the School Office who will be able to assist you. Families who are referred will be assigned directly to the local location, Mitcham Lane Baptist Church, Furzedown, where food can be collected.

Kind regards

Mrs Sternberg

School Councillors 2022-2023

Well done to the children who were voted to be School Councillors by their class. School council reps meet weekly to discuss what they feel will help to improve their school. We start with a focus and the children take a question back to their class to discuss with their peers. The reps then feedback what they discussed with their class. We look together at what is successful and how we can implement any ideas.
