

Dear Parents and Carers,

The Summer term has started off well. We continue our programme of Curriculum Parent workshops so you are up to date with how the children are learning in school. It is wonderful having you back in school and sharing in your child's learning.

Maths Parent Workshop - a message from Miss Mantell

Thank you to all the parents and carers that participated in the **Reception, Year 1 and Year 2 Maths Parent Workshops**. It was lovely to see so many parents involved and enjoying Maths alongside their children. The children thoroughly enjoyed showing off their amazing Maths knowledge, discussing their learning using mathematical language and most importantly playing games and having fun. Feedback from the parents was very positive. We hope you all found the workshop useful and enjoyed completing the Maths activities with your child. We look forward to hearing how the Maths games are going at home. Once again thank you for your continued support!
