

**Dear Parents and Carers,**

We do hope that you enjoyed the Summer Fair last Friday. There was a lovely, positive atmosphere and the children had a wonderful time with their friends and families.

Well done and many thanks go to the Friends of Beecholme (FOBS) who organised the stalls themselves this year and gave their time before, during and after the event. It was very much appreciated. This small group of parents are committed and dedicated to raising money for **all** the children. If you feel you can join them, please contact them now ready for the next event. They would love the extra help.

Many thanks also goes to Miss Bousfield who was the main school link with the FOBs and to all the staff who stayed and supported the event.

As parents, you are all members of FOBs, look out for future events and meetings next year and if you can help that would definitely share the load! We will let you know what the grand total is as soon as possible.

Best wishes,

Mrs Sternberg

**Miss Mantel-Year 2 Teacher**

Miss Mantel will sadly be leaving Beecholme this year. Next year she will be travelling and having some well deserved time to explore the world. She has been a fantastic teacher and addition to the Beecholme staff team. For all the families who have had children in her class, you know that they make fabulous progress and learn through exciting and creative experiences. We wish her well on her travels.

**Ms Slinger—SENCO**

Ms Slinger has been an efficient and enthusiastic SENCO who has supported many of our families with children who have Special Educational Needs. Although she has been with us a short time she has definitely made a great impact on the school. She will be taking on an Inclusion leader roll full-time at another school. We know she will keep in touch with us. We wish her all the best for the future. Mrs Sue Brackenbury will be taking over the role at Beecholme and has already had a meeting with Ms Slinger to ensure a smooth hand over.

**Miss Grabowska– Learning Support Assistant**

Miss Grabowska will also be leaving Beecholme to become an administrative assistant. She has helped so many of our families, especially those who are Polish. We thank her and hope she has a wonderful time in her new career.
